What makes **South Dakota** the best state for residency?

- Becoming a resident is simple and painless
- **NO STATE INCOME TAX**
Applies to... Earned income, Social Security, Pensions, Military retirement, Dividends, & Interest
- **NO INHERITANCE TAX**
- **NO PERSONAL PROPERTY TAX**
- Only a 3% tax on the TRADE DIFFERENCE for **vehicle, RV, and motor homes trades**
For example: if you purchase a new RV for \$60,000 and trade your existing RV to receive \$40,000 trade in credit, you pay a difference of \$20,000. You would pay the 3% vehicle tax on only the \$20,000 difference meaning your tax would be **\$600 in SD**. This can be a huge difference when compared to some states that might charge 6% on the entire amount - **\$3600 in some states!**
- Low vehicle insurance rates & license fees
- No annual vehicle inspection

But then I have to live in South Dakota... right?

No. You are only required to have a legal address in SD (not a P.O. Box). For your drivers license, you need only stay in SD for a single day every 5 years!

Step 1: Get your **Legal SD Address**

Pick out your plan and complete payment. This will allow you to continue on to the necessary paperwork.
